Response to Notice of Intent to Revoke Registration

Now Comes Nabil P. Niman by and though his attorneys Gardiner Koch Weisberg & Wrona and for his response to the Notice of Intent to Revoke Registration states as follows;

1. Registrant admits the allegations of paragraph one.

2. Registrant admits the allegations of paragraph two.

3. Registrant admits the allegations of paragraph three.

4. Registrant admits that English is the primary language that he speaks during business hours and further states that he requested an extra hour to complete the Series 3 Examination as an accommodation and not with the intent to mislead the NFA.

5. Registrant denies the allegations of paragraph five.

6. Registrant has timely filed this response within 20 days of the date of service.

7. Respondent has attached hereto the disqualification fee of $1000.00 required by Rule 203 (a) (11)

8. **b.** The Registrant intends to show that, not withstanding the allegations contained in the Notice of Intent, his registration does not pose a substantial risk to the public. Mr. Niman requested an extra hour for the series three examination. Mr. Niman had two former instructors that had advised him to hand in a letter expressing that English was not his first language upon taking the exam. Both instructors advised him that it was completely permissible.

Respectfully submitted,
Nabil Paul Niman
By his attorney

James B. Koch
