	)	
BREWER FUTURES GROUP LLC,	)	
(NFA ID #300729), et al.,	)	NFA Case No. 09-BCC-014
	)	
Respondents.	)	

NOTICE OF SUSPENSION OF MEMBERSHIP AND ASSOCIATE MEMBERSHIP PURSUANT TO NFA COMPLIANCE RULE 3-14(c)

National Futures Association ("NFA") hereby notifies NFA Members Brewer Futures Group LLC ("BFG"), and Steven J. Brewer ("Brewer"), that the President of NFA intends to summarily suspend them from NFA membership, pursuant to NFA Compliance Rule 3-14(c), based on their failure to pay a fine imposed in an NFA disciplinary proceeding.

On April 15, 2010, a Decision was issued in this case by NFA's Hearing Panel that ordered BFG and Brewer to pay a fine of $100,000, for which they are jointly and severally liable, to be paid in five equal installments of $20,000, each, due on May 15, June 15, July 15, August 15, and September 15, 2010. To date, BFG and Brewer have failed to pay the August 15 and September 15, 2010 installments of the fine, totaling $40,000.

BFG and Brewer are hereby given notice that unless they immediately pay to NFA the $40,000 balance now due and owing on such fine, their NFA membership will be summarily suspended effective seven days from the date of this Notice. The suspension will remain in effect until NFA receives full payment of the fine.

Pursuant to NFA Compliance Rule 2-6, BFG and Brewer are prohibited from holding itself out as an NFA Member in good standing of NFA during any suspension period. Further, NFA Members and Associates are prohibited from conducting commodity futures business with BFG and Brewer during the period of suspension unless authorized by the Business Conduct Committee or the Appeals Committee.

BFG and Brewer are hereby informed that, in accordance with Section 17(h) of the Commodity Exchange Act, such action is subject to review by the Commodity Futures Trading Commission ("Commission") on its own motion or upon

application by any person aggrieved thereby if filed within thirty days after such action is taken or within such longer period as the Commission may determine.
