Michael Brice

Founder and CEO, BW Cyber Services

Michael Brice has more than 28 years providing technology, security, and related cybersecurity consulting solutions for multiple industries, including deep commercial experience in the financial services industry as well as classified government operations.

After graduating from college he served as an officer in the US Marine Corps where he received specialized training by the National Security Agency in Signals Intelligence. Upon departure from the military, he has held executive positions leading IT strategy and related enterprise software services for blue chip consultancies and publicly traded corporations including: Principal at Booz-Allen, Partner for Unisys, Sr. Director at Infor, and Chief Information Officer at the Industrial Distribution Group, Inc. He's also worked in the regulated asset management industry - including one of the world's largest hedge funds. As the founder of BW Cyber Services, Mr. Brice has provided cyber-consulting support to multiple emerging, small, and mid-size NFA & SEC Members and family offices.

Brad Carpenter

Special Agent, FBI Cyber Division

Brad Carpenter is a Supervisory Special Agent with FBI Cyber Division and currently manages FBI Cyber Operations at the National Cyber Forensics and Training Alliance (NCFTA) office in New York City. As an FBI Special Agent for over 14 years, he has been responsible for investigating computer intrusions targeting the financial sector, cybercrime, and various financial crimes to include money laundering and terrorist financing. Prior to his current role, he managed cyber investigations for FBI New York and also was the FBI New York Joint Terrorism Task Force (JTTF) Coordinator, responsible for the incident response to terrorist threats throughout New York City and at high profile Special Events. During his tenure with the FBI, Mr. Carpenter has also been assigned to the FBI Boston Field Office, FBI Counterterrorism Division in Washington DC, US Embassy London, and several other international deployments. As an FBI Instructor, he has conducted domestic and international trainings on Cyber Crime, Anti-Money Laundering, and Terrorist Financing. Mr. Carpenter was a business development professional in the IT Sector, servicing Fortune 500 companies prior to his appointment as an FBI Special Agent.

Kolade Agbaje-Williams

Manager, Examinations, Compliance, NFA
