EXPLANATION OF PROPOSED AMENDMENTS

NFA's Rulebook contains provisions that permit Members to file certain financial and regulatory notices by hand-delivery or by transmitting by facsimile to NFA's Chicago office. Given the changes in technology since these provisions were adopted, and the efficiencies gained by electronic submission, NFA's Board has approved amendments to Financial Requirements Sections 5, 6, 9, and 11 to remove references to hand-delivery and facsimile as acceptable methods of filing with NFA and replaced them with a requirement that all notices be electronically filed with NFA. The Board also approved eliminating the reference to telecopier in NFA Bylaw 507. Further, the Board approved a minor amendment to Financial Requirements Section 9 updating the reference to the CFTC Regulation that requires FCMs to file reports on reportable positions.

NFA's Part 3 Compliance Rules that govern service of process reference delivery by first-class or overnight mail. Given the widely-accepted use of e-mail, as well as the fact that e-mail is substantially more efficient than other methods of service, NFA's Board also amended these provisions to permit service by e-mail provided that NFA has an email address on file for the Member or Associate and the Member or Associate acknowledges receipt of the e-mail. These changes are consistent with changes to NFA's Code of Arbitration and Member Rules the Board approved last August and were submitted to the Commission for review on August 27, 2020.

As mentioned earlier, NFA is invoking the "ten-day" provision of Section 17(j) of the CEA. NFA intends to make the proposed amendments to NFA Bylaw 507; Compliance Rules 3-3 and 3-15; and Financial Requirements Sections 5, 6, 9, and 11 effective as soon as ten days after receipt of this submission by the Commission, unless the Commission notifies NFA that the Commission has determined to review the proposal for approval.
