Re: National Futures Association: Proposed Amendments to Part 3 of
NFA's Compliance Rules regarding Virtual Hearings

Dear Mr. Kirkpatrick:

Pursuant to Section 17(j) of the Commodity Exchange Act ("CEA" or "Act"), as amended, National Futures Association ("NFA") hereby submits to the Commodity Futures Trading Commission ("CFTC" or "Commission") proposed amendments to NFA's Part 3 Compliance Rules to specify that a Hearing Panel in an NFA Business Conduct Committee ("BCC") matter has the authority to order a virtual hearing in extraordinary circumstances. NFA's Board of Directors ("Board") unanimously approved the proposed amendments at its meeting on August 20, 2020.

NFA is invoking the "ten-day" provision of Section 17(j) of the CEA and plans to issue a Notice to Members establishing an effective date for this proposal as early as ten days after receipt of this submission by the Commission unless NFA is notified that the Commission has determined to review the proposal for approval.

EXPLANATION OF PROPOSED AMENDMENTS

Part 3 of NFA's Rulebook sets forth the compliance procedures that control NFA's disciplinary process. As described more fully below, NFA's Board has approved amendments to Part 3 of NFA's Compliance Rules to specify that a Hearing Panel in a BCC matter has the authority to order a virtual hearing in extraordinary circumstances.

Due to the impact of the COVID-19 pandemic and the guidelines surrounding social distancing and limiting the size of gatherings, NFA is concerned that there may be unacceptable delays in resolving complaints issued by NFA's BCC because it may not be feasible to conduct an in-person hearing. Although NFA Compliance Rules 3-7 and 3-8 provide flexibility surrounding hearings by giving the Chair of the Hearing Panel the authority to determine the location of the hearing and to permit telephonic or video testimony, NFA is amending Compliance Rule 3-9 to specify that the Hearing Panel has the authority to order a virtual hearing in extraordinary circumstances. The Board determined not to specifically define extraordinary circumstances because it is not possible to foresee all instances where a virtual hearing might be necessary. The Board acknowledged that an extraordinary circumstance would generally involve situations where an in-person hearing is not feasible.

NFA's FCM, IB, CPO/CTA and Swap Participant Advisory Committees supported the proposed amendments. As stated earlier, NFA's Board unanimously approved the proposed amendments on August 20, 2020.

As mentioned earlier, NFA is invoking the "ten-day" provision of Section 17(j) of the CEA. NFA intends to issue a Notice to Members establishing an effective date for the proposed amendments to NFA Compliance Rules 3-7, 3-8, and 3-9 as early as ten days after receipt of this submission by the Commission, unless NFA is notified that the Commission has determined to review the proposal for approval.
